Dear Neighbor,

As the year comes to an end, all of us at the Amwell Valley Ambulance Corps would like to take a moment to say **THANK YOU!** Your continued support is what keeps our lights on, our ambulances ready, and our volunteers answering calls—day and night—when someone in our community needs help.

A Tradition of Service

Since 1957, our volunteers have proudly provided **free emergency medical services** to more than 2,700 households across East Amwell, West Amwell, and Delaware Townships. We are your neighbors, coworkers, and friends—ordinary people doing our best to make sure help is always there when it is needed most.

The Challenges We're Facing - Even with all that we have accomplished, this year has brought real challenges.

-Lack of Local Funding: For the past **three years**, East Amwell Township has not provided any financial support, even though our volunteers respond to emergencies here every week. Our Annual Fund Drive and your continued donations throughout the year have become more essential than ever!

-Rising Costs: It now costs more than **\$110,000+ each year** to operate—covering medical supplies, rising insurance premiums, ongoing vehicle/building maintenance and continued training. Every item we use, from bandages to oxygen tanks, is provided to our patients at **no cost**.

-Fewer Volunteers: Like many organizations, we struggle every year to find additional EMTs and drivers. If you can spare even one 12-hour shift a month, we'll cover the cost of your training and welcome you to our team.

How You Can Help - Your financial support through donations truly makes a difference. Every contribution helps us cover essential needs like:

-Medical Supplies – \$20,000+ annually to stock our ambulances and keep patients safe. Did you know that an Epi pen that is used to treat allergic reactions costs us over \$250 each!

-AED and Medical Equipment Upkeep – \$5,000+ annually to ensure our life-saving tools are always ready functioning properly. Replacement AED batteries cost over \$400 each!

-Building Maintenance and Upkeep – We have almost \$20,000 slated in 2026 for much needed repairs.

Your generosity ensures that when someone dials 9-1-1, there is always a crew ready to respond. Every dollar, every volunteer hour, every bit of support helps us continue a legacy of service that's lasted more than 65 years.

Thank you for standing with us and for being part of the Amwell Valley Ambulance Corps family.

With heartfelt gratitude,
The Volunteers of the Amwell Valley Ambulance Corps

Paul Hutchins, Chief

Rob Conner, President
